

Friends of D&H Caboose 35964

One of the primary missions of the Carbondale Historical Society is to preserve important artifacts from Carbondale's historic past. One such artifact is D&H Caboose 35964, which the Society acquired in December 2010. The Caboose, for the present, has a secure—but temporary—home in Carbondale. In order to take the next step on behalf of the Caboose, a "Friends" group has been created to raise the necessary funds to establish a permanent home for Caboose 35964 in Carbondale.

We welcome all persons interested in the preservation of Caboose 35964 to become a member of *Friends of D&H Caboose 35964*. To become a member, and to help create a bright future for this railcar, send your tax-deductible contribution (perhaps in honor of a living person, or in memory of a deceased person) to:

**Carbondale Historical Society, Post Office Box 151, Carbondale, PA
18407-0151**

Your Name: _____

Address: _____
